

Background

- Caregivers is run by a group of qualified and experienced health care professionals.
- They aim to provide home based elderly and disabled care, so that people could stay in their homes which is the most comfortable and most therapeutic environment.

Core Goals

OUR CORE AIMS ARE:

- Home Based Care
- Care Giving

- Assisted living for seniors, which is safe, personal and comforting alternative. Our services enable the elderly to retain an optimum degree of independence eliminating undue stress for the individual's family. Our staff maintain the highest degree of respect, love & care for each patient. Each patient is not a mere client but treated as our own.

Services

Our carefully screened, selected and fully trained Caregivers provide a wide range of non-medical services such as:

- Assisting in general mobility to ensure safety
- Administration of medication
- Bathing , grooming & personal hygiene
- Toileting and diaper care
- Treatment and prevention of sores
Dressing of wounds
- Assisting with feeding & fluid intake
- Companionship
- Post Operative Care
- Post Hospital Care
- Care / Counselling for patients diagnosed with Alzheimer, Parkinson and Dementia.

Nursing Services

Our professional nurses are able to provide a wide range of basic care for those with a change in medical condition or a recent discharge from hospital or other facility

" Our Caregivers provide a level of companionship, preventing the patient from feeling lonely and isolated."

Our Caregivers

- Responsible , professional and compassionate
- We give elderly, infirm and sick a sense of dignity and vital companionship
- Caregivers are chosen to meet one's precise needs
- Caregivers are assessed, reference and always undergo competency checks
- Caregivers are monitored to give highest standards of care
- At any stage, should complaints arise we source a suitable replacement.

Our Process

- We will visit the family and build a comprehensive brief
- We assess the scenario and develop an appropriate service level agreement
- In accordance with the brief, we source suitably qualified and experienced Caregiver
- A member of our management team will make weekly onsite visits to ensure the quality of service
- We Re-assess your needs regularly

*" Quality of care preserves
the right of dignity "*
